

Youth Volunteers - MIMA Foundation

Written by Mary Kay Thomas
Sunday, 17 October 2010 07:51

Get our youth involved in MIMA! Students can gain many life experiences by providing assistance to the MIMA Foundation and in Bolivia. High school students can help by: aiding staff with fundraisers, organizing medical supplies for the trip, and volunteering at Bolivia's orphanages, just to name a few!

To participate on the trip to Bolivia, an interview will be required. Students may be evaluated on their work ethic through their involvement with MIMA during the year leading up to the trip.

If you have any questions or would like to volunteer, contact Cresencia Cruz (Youth Volunteer Coordinator) at cresycruz@hotmail.com or by phone at 561-876-1877.
